

Super Dads Super Kids Program Participant Certificate Template

We've created a certificate template for you in Canva that you can edit. We recommend opening the link in a browser with the account that will make future edits to the image.

Access the template of this image here:

How to Edit:

1. Delete "Text Box" and upload your logo through the left hand menu, "Uploads". Position your logo into the picture placeholder.
2. Enter the name of participant, date, and facilitator name. You can also add the facilitator title, or name of the organization. If not using, delete the text box "Insert Title or Organization"
3. Once all information is correct, save the file, download, or print. To access these options click the top righthand side "share" button and search for the option that fits your needs.
